Schedule Changes

Several schedule changes have been made effective August 1 in the weekday afternoon programming. First, Earth Musics which until now have been broadcast from 4-5:30 each weekday, are being expanded and scheduled half an hour later so that they will air each day from 4:30 to 6:30 p.m. This "drive-time" music is an attempt to truly serve as an alternative to the fare offered across the rest of the radio band at that time. While other stations are broadcasting news and their heaviest load of commercials for the day between 5-6:30 (in other words, a wall of talk), we will be offering continuous music. Secondly, from 4-4:30 each day will be programming designed for children and, perhaps, grown-ups too. The KRABETTES will air Mondays at 4:00, Jawbreaker which will be shifting its focus a bit to appeal to young people and adults alike, as well as expanding its scope to include folk tales and musics from other cultures, will now air at 4:00 p.m. Tues. through Thursday. You Got A Song On Your Arm will broadcast Fridays at 4:00 p.m.

Ad People Needed

In an effort to help increase our membership from the current 1800 to the 8000 needed to become completely self sufficient financially, we want to expand the distribution of our program guide. In order to do this, it will take a lot more ads to generate the money necessary for this increased distribution. You can help by volunteering some time to selling ads. It's a great way to support KRAB, help provide quality programs and promote the station in your community. Plus, the experience will build your skills in media advertising and public relations. If you have some time and energy and would like to help KRAB by selling ads please call Cheryl Read, Promotions Coordinator, at the station, 325-5110.

NOTE: Because of space requirements, "Report to the Listeners" and "From the Listeners" will not appear in this issue. Please continue sending your comments and suggestions to Letters, KRAB, 1406 Harvard, Seattle, Washington 98122.
